

ICJS Research

Presents the channeler of Asia Times columnist "Spengler"

Dr David Goldman

Lecture → Israel in isolation??

When → Sunday 6th September 2009 – 8:00PM

Admission → \$15

Information → Online only

www.icjs-online.org/spengler.php

Given the Obama administration's attempts to force Israel to freeze all growth in settlements, does Israel now find itself in the situation where it is a pariah state?

David Goldman is one of the foremost writers on the role of the Jewish people and the state of Israel in Western History.

Bookings are essential.
